

Bridge to Independence Private School 2017-2018

"True Tigers make a path where there was none"

CURRENT EVENTS

What's happening at BTI?

By: Davin Hemmings

Tie Tying Session

The Man UP program presents "Tie Tying Session" where local officials in the community came out to teach our young men of BTI how to tie a necktie. To the right you will see a picture of Sheriff Marcus Riggins.

Red Ribbon/Breast Cancer Week

Here at BTI we brought awareness to being drug free and Breast Cancer. Students were taught the importance of being drug free as the Kindergarten class was 'bow tied of drugs' and paraded down the hallways chanting "Say No to Drugs." For Breast Cancer awareness we asked each class to make a wish regarding Breast Cancer and released balloons in the air with each wish attached.

Book Character Day

Bridge to Independence presents the Annual Book Character Day. This year, Kindergarten -5th grade chose their favorite book to complete a book report poster project and dress as a character of their choice.

NEW TEACHER ON THE BLOCK

Shalini Brown
3rd-4th Grade Teacher

Shalini was born and raised in Orlando, FL and attended Winter Park and Evans High School. Upon graduation she attended Florida A&M University where she became a member of NAACP.

A WORD FROM OUR PRINCIPAL

Nicole Phillips Hollis
Executive Director/ Principal

Greeting Parents,

Celebrating our school successes is a vital part of our everyday lives at Bridge to Independence Private School. Over the last 13 years, we have strived to build a community of learners that can become an integral part of our society. Our students, parents and staff have worked together to create and reach many successes. Recognizing these accomplishments is important in building self-esteem of our students. In 2016-17 our students were listed as the MAP pilot school. 78% of our students made growth within a normal range in Math/Reading between the Winter and Spring test.
